MAP

DETAILED ITINERARY

Day 1 Anchorage to Seward (Rail) Kenai Fjord Cruise

Board the Coastal Classic Train in the Goldstar Railcar for a breathtaking ride to Seward. This scenic journey takes you along Cook Inlet and into the glacier-filled Chugach Mountains. Upon arrival in Seward, transfer by shuttle to the small boat harbour for a 6-hour cruise of Kenai Fjords National Park. The park boasts abundant wildlife, alpine and tidewater glaciers, and breathtaking scenery. As you cruise through Resurrection Bay, keep watch for Steller sea lions, seals, puffins, eagles and whales. Cruise past the Alaska Maritime National Wildlife Refuge, home to a large variety of birds, on your way to either the Holgate or Aialik Glacier. You will stop in front of the glacier to hear it moving and possibly see ice fall into the ocean. Enjoy lunch onboard. (Breakfast & lunch is included today)

Day 2 Seward to Anchorage (Coach)

Begin your adventure this morning with a stop at Exit Glacier. An eight mile drive off the main road reveals a spectacular vantage point; a short and easy walk provides an up-close and personal view of a magnificent glacier. Then tour north towards Anchorage; you will have the opportunity to enjoy spectacular scenery through Moose Pass and Turnagain Pass. This area is resplendent with alpine scenery and hanging glaciers. Next, visit the Alaska Wildlife Conservation Centre which provides care and rehabilitation for injured and orphaned wildlife. Here you can safely get close, observe, and photograph some of Alaska's largest land animals including: moose, bison, elk, deer, caribou, bears, muskox, small mammals, and birds of prey. After lunch, get ready for the aerial tram ride up the longest double black diamond ski slope in North America. From the top, you can view several glaciers and the northern-most temperate rainforest; continue on to Anchorage to arrive late afternoon. (Lunch is included today)
